Commissioner for Patents

Applicant's amendment filed on 12/23/2003 has been received and the examiner is currently reviewing the amendment.

Recently, the PTO has transformed all paper files into image files, including this application. When the examiner opens the image file of this application, the examiner could not find any drawings in the file. It is unclear whether the drawings were misplaced or missing or not scanned into image, or whatever reason. Without drawings, further examination is impossible.

In view of the foregoing reason, the examiner asks applicant to submit a new set of formal drawings so that further examination can be made.

Applicant should submit the formal drawings within 30 days.
